

## **Boarding Protocol**

**WE do NOT board aggressive animals. ALL animals need a Wellness/Temperament Exam prior to boarding.**

### **NO EXCEPTIONS**

#### **K9 Requirements:**

- Wellness/Temperament Exam
- Must have a negative fecal test within the year. If the test was positive, Patient must be treated and re-tested prior to boarding and must submit lab results. NO EXCEPTIONS.
- Must apply a prescription strength flea medication within 30 days of boarding.
- Vaccine Requirements:
  - Rabies (RV)
  - Distemper/Parvo (Dappv)
  - Bordetella (Kennel Cough)
  - Canine Influenza (CIV, second booster must be given at least 48hrs prior to boarding)

#### **Feline Requirements:**

- Wellness/Temperament Exam
- Must apply a prescription strength flea medication within 30 days of boarding.
- Vaccine Requirements:
  - Fvrrcp
  - Rabies

**Food:** Owners are encouraged to bring their food, as abrupt changes to diet can cause diarrhea. If the Owner does not provide food, we will feed a bland diet (Purina EN, Hill's I/D) at the owner's expense.
